Python Alpha 000

An intro to Python Alpha course coverage

Dua of the day

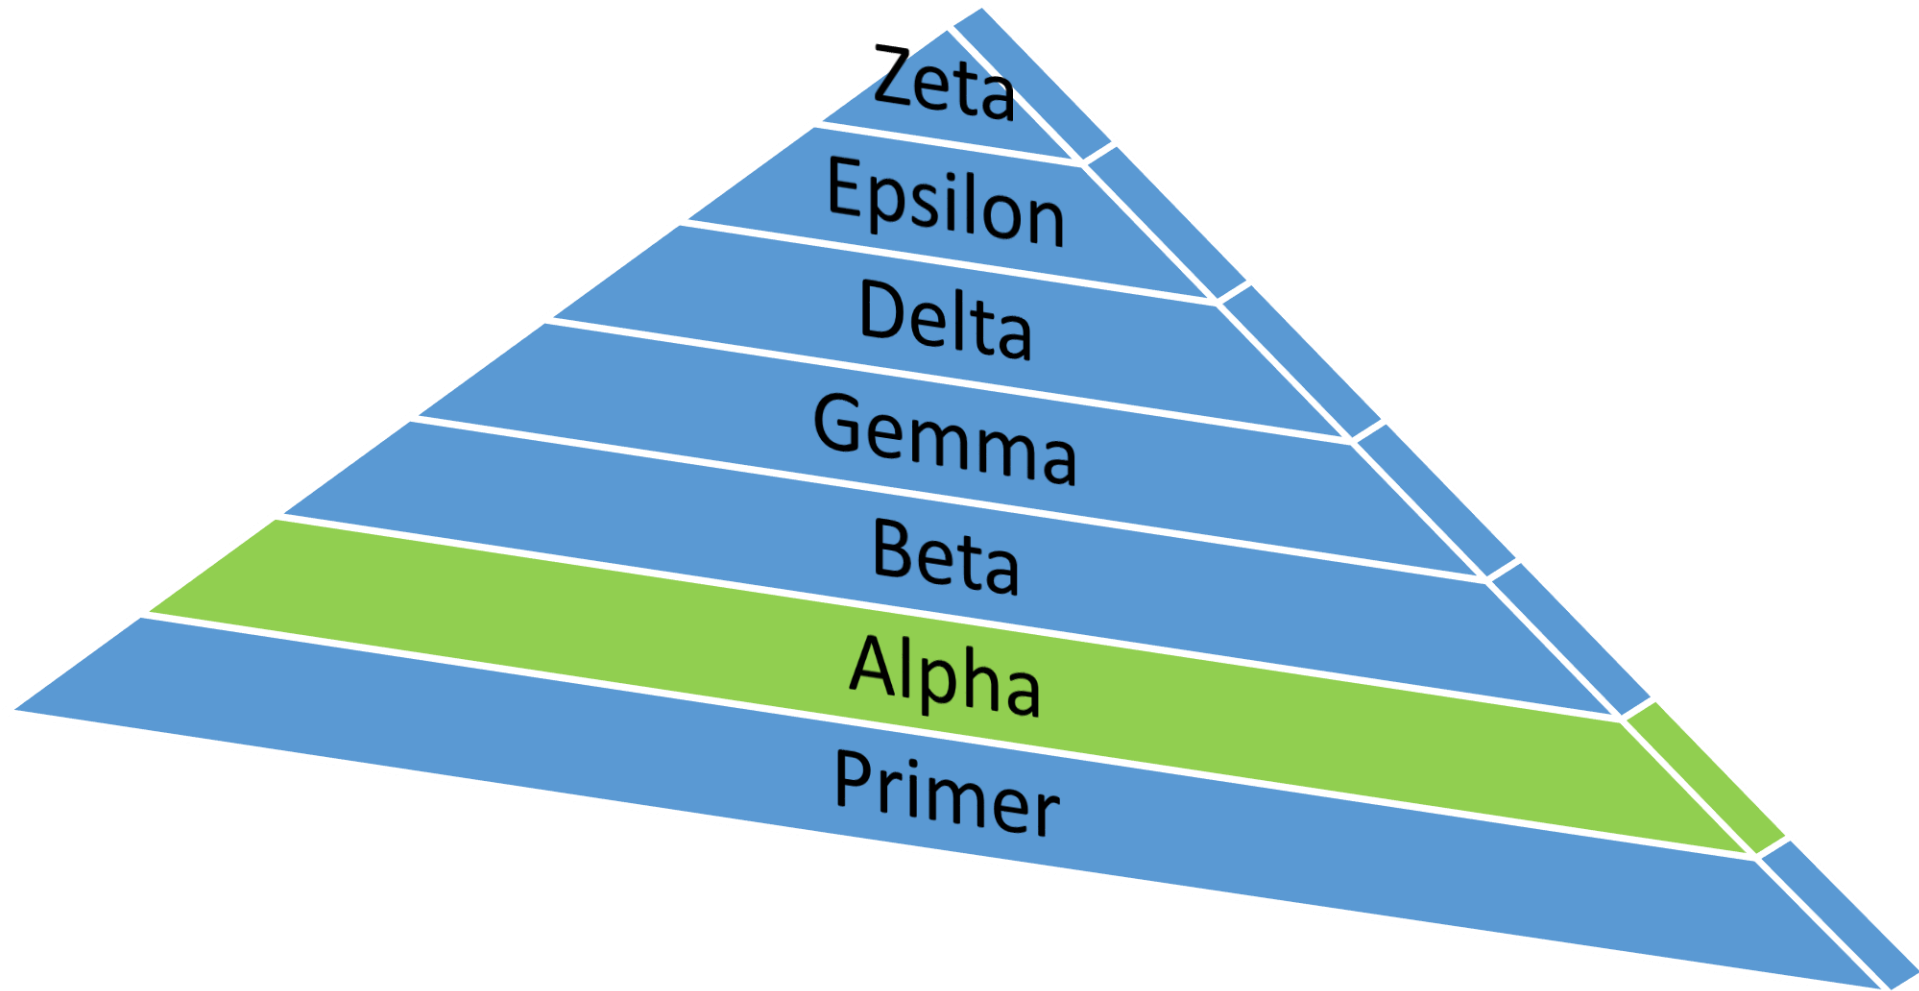

إِلَهِی غَارَت النُّجُومُ، وَنَامَتِ الْعُیُونُ وَغَلَقَتِ الْمُلُوكُ أَبْوَابَهَا، وَبَابُكَ مَفْتُوحٌ، وَخَلَا كُلُّ حَبِیبٍ بِحَبِیبِهِ، وَهَذَا مَقَامِي بَيْنَ يَدَيْكَ

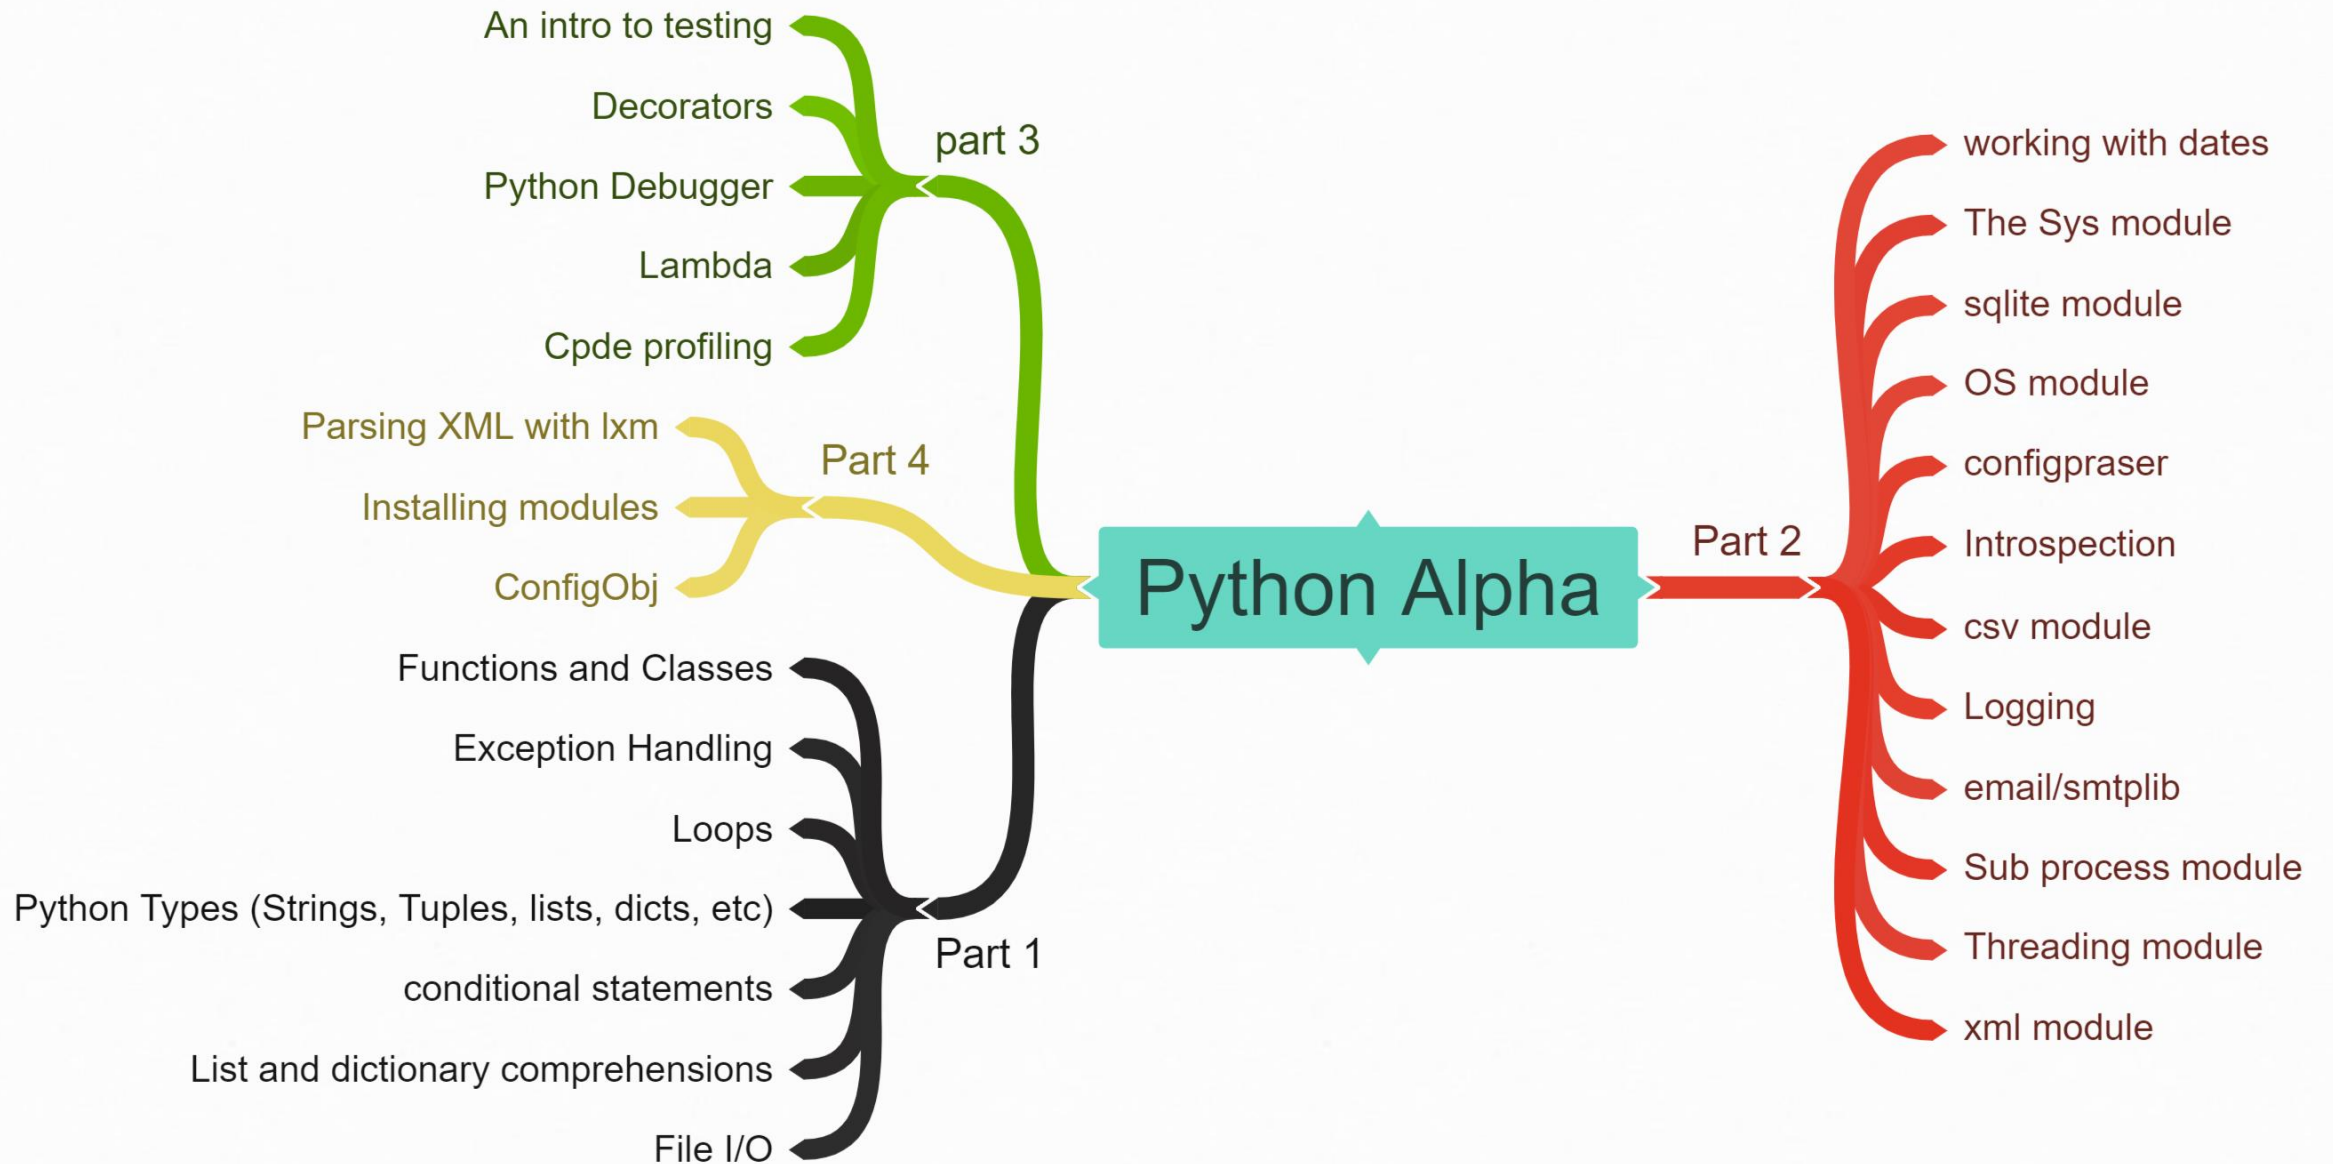

O Allah, the stars have vanished, the eyes have slept, the kings have locked their doors, and Your door remains open. Every lover has found privacy with their beloved, and here I am standing before You.”

Study, Rinse and Repeat

- Please subscribe to our [YouTube Channel](#) to be on top of your studies.
- Please logon to our website <https://alnafi.com/login/>
- Use your username and password to logon
- Please keep an eye on zone@alnafi.com emails
- Please review the videos of 30 minutes daily
- Please review the notes daily.
- Please take time for clearing up your mind and reflect on how things are proceeding in your studies.

Python Roadmap

جزاك الله

Please send us your questions at zone@alnafi.com We will only answer our Nafi Members. So please quote your membership number within the email.

Soon we will completely move to the portal to answer any further questions and will remove the email answering function.
